

## **2018-2019 Flint/Saginaw All-Star Team Announcement:**

Strikes n' Strokes has taken over the running of the Flint-Saginaw All Star matches. We have made several changes to the rules to make sure it is uniform between both Associations. Most notably the requirement to bowl in a specific Association event has been eliminated. We will not provide refreshments at the centers. The snack bar should be available. Funding for the shirts is as follows: We will be going to the different centers throughout the year and holding a 50-50 raffle. Other raffles will be held as well.

♦ Please support us when we come to your center ♦
